Brake system	6 piston front and single piston rear calipers		

Further information

Comprehensive price as built includes vehicle price, vehicle options, Freight and PDI, Dealer Administration Fee, Federal Air Conditioner Excise Tax and, where applicable, Federal Luxury Tax. Price excludes sales taxes, license, insurance, registration, provincial fees (OMVIC/AMVIC and tire levy) and any dealer offered equipment or services. Price shown for accessories is for parts only and does not include installation / labour. The dealer administration fee is set by, and varies by dealer, up to \$500. In Ontario and Alberta, a fee of \$22.00 and \$6.25 respectively is payable by dealers to their motor vehicle council (OMVIC in ON and AMVIC in AB) for each vehicle sold. The \$100 federal air conditioner tax is payable for all new vehicles with air conditioning by Audi to the government. An advanced disposal fee for new tires is payable by purchasers in some provinces. Federal Luxury Tax and Federal Green Levy, where applicable, are payable to the federal government. For lease and financing, a security registration fee of up to \$56 (includes government registration fee and lien registering agent's fee) is payable (PPSA or RDPRM in QC). Price shown is for information and is not an offer. Actual price will vary based on the final negotiated price and terms agreed upon with the Audi dealer. Dealer may sell or lease for less.
