© 2026 Audi Canada. *Limited time lease and finance offers available through Audi Financial Services on approved credit, on select new and unregistered Audi. Dealer may sell/lease for less. Starting rates are advertised; rates vary and may be higher for other term lengths and certain models. European models shown with optional equipment that may not be available at the time of purchase. Offers end April 30, 2026 and are subject to change or cancellation without notice. Dealer order/trade may be necessary. +1% rate reduction is available on a finance or lease through Audi Financial Services (AFS), of any new, unregistered 2026 Audi model, on approved credit. Offer available to previous Audi Financial Services customers who have terminated a AFS lease contract within the current sales calendar year January 3rd, 2026 - January 4th, 2027, whose lease account termination date falls in one of the following periods: Same month of the new AFS lease or retail finance contract date, month prior to the new AFS lease or retail finance contract date, month following the new AFS lease or retail finance contract date (some restrictions may apply). The loyalty interest rate will not be below 0.0%. Valid identification and proof of valid terminated AFS lease contract within the current sales calendar year January 3rd, 2026 - January 4th, 2027, is required. Rate reduction is not eligible on Audi vehicle previously financed or leased or currently being financed or leased through AFS. Offer is non-exchangeable nor redeemable for cash and subject to change. Credit is available to be applied as a discount to MSRP with cash purchase, finance purchase or lease (through Audi Financial Services, on approved credit) of select new and unregistered Audi vehicles. Credit varies by model. Conditions apply. See dealer for more details.

*Taxes are not included. The calculations, including estimated taxes and fees, are based on the information you have provided and the price as built. Rates and programs are updated regularly and are subject to change. Actual payments will be determined after a credit application has been submitted and will be finalized by the selected dealer. Please note that the information provided by the payment calculator is only an estimate and meant to be used as a budgeting tool. Dealer sets actual price.

Further information

Comprehensive price as built includes vehicle price, vehicle options, Freight and PDI, Dealer Administration Fee, Federal Air Conditioner Excise Tax and, where applicable, Federal Luxury Tax. Price excludes sales taxes, license, insurance, registration, provincial fees (OMVIC/AMVIC and tire levy) and any dealer offered equipment or services. Price shown for accessories is for parts only and does not include installation / labour. The dealer administration fee is set by, and varies by dealer, up to \$500. In Ontario and Alberta, a fee of \$22.00 and \$6.25 respectively is payable by dealers to their motor vehicle council (OMVIC in ON and AMVIC in AB) for each vehicle sold. The \$100 federal air conditioner tax is payable for all new vehicles with air conditioning by Audi to the government. An advanced disposal fee for new tires is payable by purchasers in some provinces. Federal Luxury Tax and Federal Green Levy, where applicable, are payable to the federal government. For lease and financing, a security registration fee of up to \$56 (includes government registration fee and lien registering agent's fee) is payable (PPSA or RDPRM in QC). Price shown is for information and is not an offer. Actual price will vary based on the final negotiated price and terms agreed upon with the Audi dealer. Dealer may sell or lease for less.
