Further information

All prices are MSRP in Canadian dollars. MSRP is the manufacturer's suggested retail price. Excludes \$2,850 freight and PDI (\$3,650 for the R8), \$100 a/c levy and other environmental or related levies. License, insurance, registration, additional options, any dealer or other charges and applicable taxes are extra. All payments, prices and figures are estimates only, provided for information, and are not binding on Audi Canada or any dealer. Actual selling price, leasing / financing rates and other terms are set by the Audi dealer. This is not an advertisement to sell at specific prices or on specific credit terms. Dealer may sell or lease for less. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Audi dealer for details. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Audi Canada is not responsible for errors, omissions or any issues related to the information provided and contained on audi.ca or external site linked to audi.ca.
